Our free DIY wedding signs are the perfect way to keep a consistent look throughout your wedding day. Print your signs on your home computer, or send our print template to your local print or copy center and have them print it for you. Crop marks are provided on each sign so that you can cut them out at home: you'll need a craft knife, ruler (ideally metal), and cutting mat (or a magazine), or you can use a paper cutter.

### **MATERIALS YOU'LL NEED:**

Printer  
Cardstock (8.5" x 11")  
Craft knife (or paper cutter)  
Cutting mat or a magazine  
Straight edge (preferably metal)

- 1** Print out pdf template.
- 2** On a cutting mat or magazine, using a straight edge and a craft knife, trim out each table number using the crop marks as your guides.
